		The group enters the Asian and the Middle East markets	2007	New futuristic Nice Headquarters

Nice produces and markets automated opening systems for gates, garage doors, awnings and rolling shutters, for residential and professional applications, designed to make and final users alike.

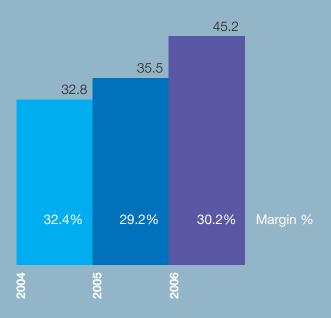

EBITDA — Margin: 32.1%

1993-2006 Net Sales **CAGR: +39.4%** 

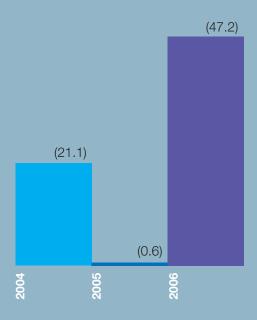

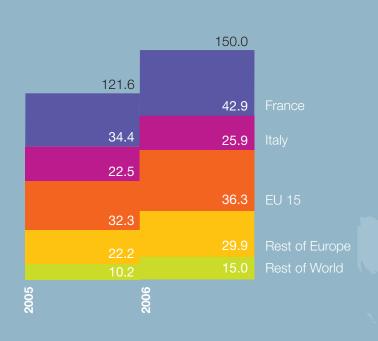

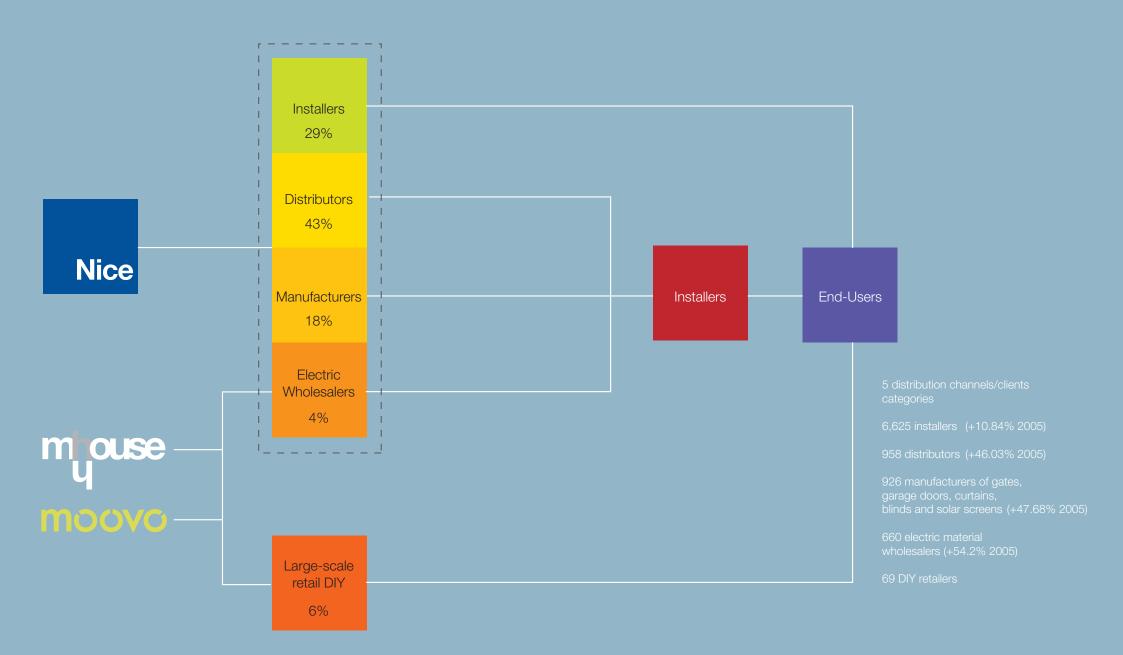

# **Strong International Focus**

### **Distinctive Brand Identity**

### The NiceOpera

The innovative wireless system NiceOpera makes easy work for the installer thanks to remote control of any automation system via PC, palmtop computer, Bluetooth, GPRS or USB, while clients can manage home automations via mobile phone or Smartphone.

The advantage of **NiceOpera** is the remote assistance. No more need for on-site inspections thanks to remote diagnostics for fast and accurate fault detection, and practical and intuitive modifications to the settings of all systems.

NiceOne Transmitters

**O-View**Display programmer

O-Box Interface

## The NiceDoor

A complete range of the automation for garage doors conceived to highlight motors for residential and industrial installations, created especially for door manufactures

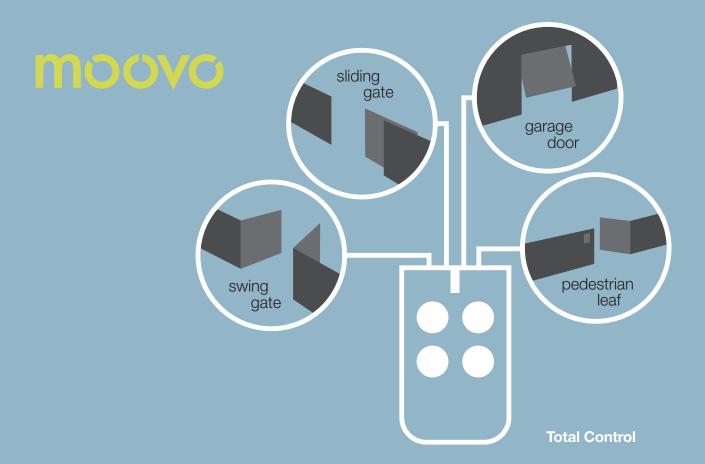

## **Moovo Product Range**

A complete new Home Automation range for the DIY market, and even easier to install thanks to a new BUS technology.
Simple to use and very convenient to buy.

Motor for sectional doors

Motor for swing doors

**Motor for sliding doors** 

Kits

**Control systems** 

Flashing light

Practical motor with integrated universal control

No Black Out motor with compartment for housing buffer battery

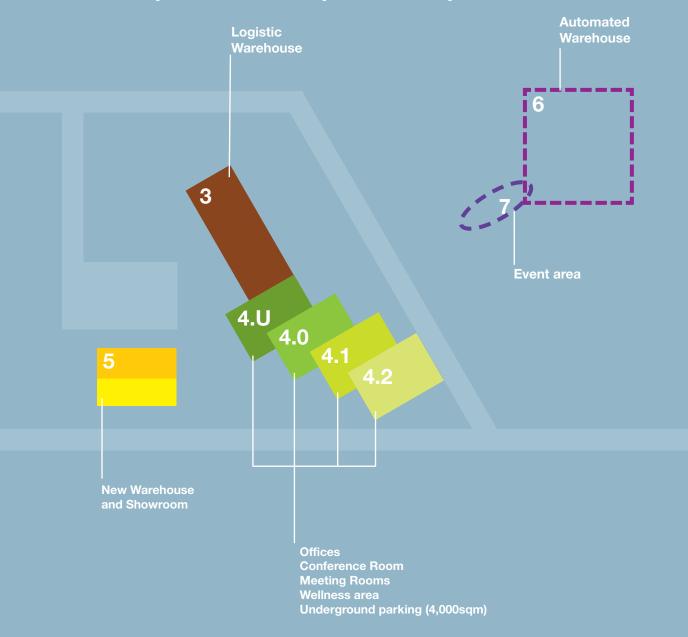

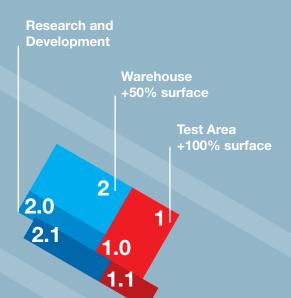

**Automatic programming** by means of a single key

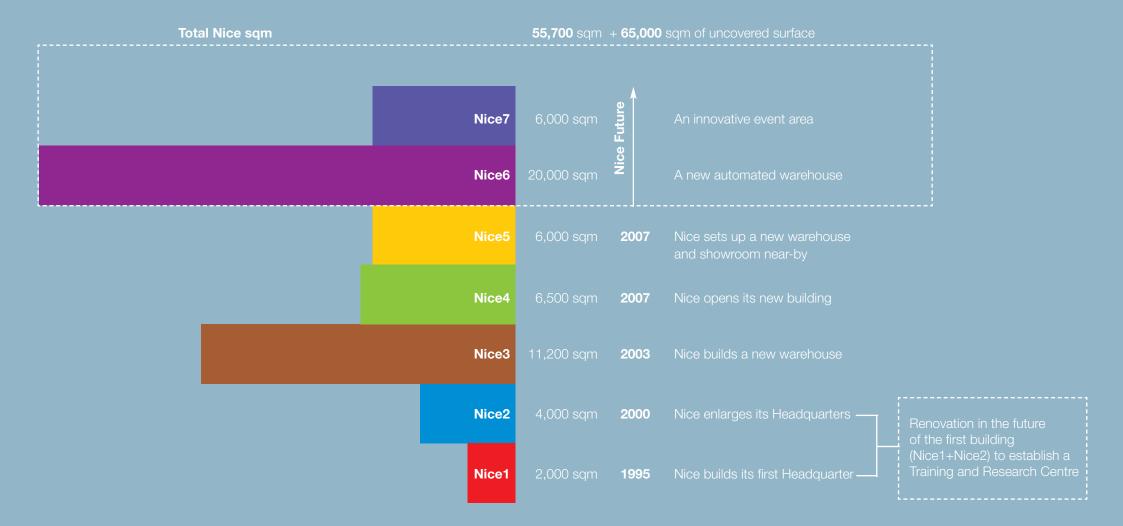

All the Moovo products are conceived to work with **solar panels** too.

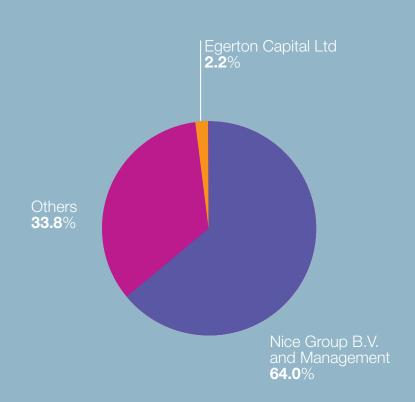

## Nice Headquarters development in sqm.
